Circles of Excellence Award Honorees

The Circle of Excellence Awards celebrate hospitals who have not only earned an award for all around sustainability achievement, but who have also been identified as the top scoring programs for each category of sustainability.

Leadership Circle

It all starts with leadership. The Leadership Circle represents high-performing hospitals that have a strong infrastructure supporting a long-term commitment to healthier environments through leadership vision, committee structure, reporting, data tracking, communication and education.

VHA 12 Clement J. Zablocki VA Medical Center (Milwaukee, WI)

Less Waste Circle

The hospitals in this Circle have excelled in waste prevention and material handling, demonstrated through high recycling rates, low regulated medical waste generation and a focus on minimizing the total volume of waste generated by the facility. These mature programs address all facets of the complex health care waste stream.
