

Governance and Working Groups

The governance structure of the **Environmental Impact and Sustainability** program extends from the executive Steering Committee to Green Teams at each site of care in order to create a continuum of engagement for Ascension associates.

Multidisciplinary Green Teams integrated into Environment of Care committees extend the initiative's reach in order to optimize efficiency and sustainability.

Environmental Impact and Sustainability Steering Committee

Guides overall strategic direction and provides visible support

Environmental Impact Office

Sustainability Team

Coordinates sustainability transformation across organization

Working Groups

Cross functional working groups with executive sponsors and subject matter experts that identify initiatives and drive implementation

Net Zero Places

Energy efficiency
