

ST. MARY'S CELEBRATES

EARTH DAY

Friday, April 22

We're Committed to Making a Difference

GREEN EXHIBIT

Visit the St. Mary's Main Lobby to view a poster exhibition on all the ways St. Mary's is being green. Vendors of "green" products will also be present to discuss healthy ways to clean.

Share your "pledge to the environment" with us in our main lobby between 7:00 am and 1:00 pm and we'll enter your name into a drawing for a beautiful plum tree on that day.

MAKE A PLEDGE

THERMOMETER DROP OFF

Bring your mercury thermometers and thermostats to St. Mary's Lobby on April 22 from 7:00 am until 1:00 pm - we'll dispose of it properly for you!

RECEIVE YOUR FREE "GREEN"
MULTI-PURPOSE CLEANING CLOTH
