

## **INOVA FAIRFAX HOSPITAL TOUR**

### **Inova Fairfax Medical Campus ASTEC Center**

The Advanced Surgical Technology and Education Center (ASTEC) on the Inova Fairfax Medical Campus combines a classroom and a large, centralized skills training area with a high fidelity operating room (OR) environment. Aiming to achieve LEED Silver certification, the Center's mission is to optimize patient care, minimize adverse outcomes and improve efficiency and quality in the surgical environment through simulation-based education, skills acquisition, teams training and educational research.

### **Inova Fairfax Medical Campus Women's Hospital**

We will also tour Inova Fairfax Hospital's new state-of-the-art Women's Hospital—set to open January 2016, it will be the largest dedicated Women's Hospital in the Washington, D.C. metro area with:

- All private rooms for Labor, Delivery and Postpartum
- Expanded Antenatal Testing Center
- Dedicated High Risk Pregnancy Unit
- 108 bed NICU
- The latest technology and expertise

**BE SURE TO SELECT THIS FREE OPTIONAL TOUR DURING REGISTRATION.**
