

WEBINARS

Practice Greenhealth hosts a set of webinar series designed to offer comprehensive and cutting-edge case studies, tools and resources on different sustainability topics to the health care community. Learn practical solutions from experts in the field without leaving your office. Pull together your committee or “green team” and join us.

ENVIRONMENTAL EXCELLENCE AWARDS

ENVIRONMENTAL EXCELLENCE AWARDS QUESTION & ANSWER SESSION #1

This informal working session is an opportunity to bring your questions about the awards application process and hear other members’ questions. Call will last as long as there are viable questions from participants or 60 minutes.
