

Celebrate Earth Day!

Across the organization, we'll be celebrating and promoting sustainable activities for everyone.

April 17-21

Head to the Beat for a round-up of how you can participate!

WE'RE COMMITTED TO PROVIDING A HEALTHIER AND CLEANER COMMUNITY.

Celebrate Earth Day!

Employee Shred Event

Monday, April 17 – Friday, April 21

Did you know that all of the paper placed in our secure confidential shred containers gets recycled? And in honor of Earth Day, we are encouraging employees to bring in personal sensitive documents to securely shred and recycle in your department's existing confidential shred containers.

Visit the Beat on myPartner or Facets to read more about the many Earth Day activities going on throughout the organization.
