PRACTICE GREENHEALTH PRESENTS

A Celebration of

Outstanding Environmental Achievement

2016
Practice Greenhealth
ENVIRONMENTAL EXCELLENCE
AWARDS

PRESENTED BY

PRACTICE
Greenhealth

Dear Friends and Colleagues,

Welcome to CleanMed and our annual celebration of the Practice Greenhealth Environmental Excellence Award winners.

2016 has been an impressive year for the award program. We are excited to celebrate 510 award winners this evening—a 16% increase over last year! The growing interest and participation in the awards program is a direct reflection of the health care sector's increasing prioritization of this work, despite formidable other sector-wide challenges. As the award program grows, the format for our Gala Dinner & Celebration is also evolving. This year, we are presenting you with an exciting new format for our evening. Based on feedback from our winners, we recognize that you not only want to honor each other's achievements—you also want to celebrate with each other as well, and use this evening to learn more about the organizations and people who make this work possible. The presentation portion of our program will be shortened this year—and allow us to extend the evening into a "glowing" celebratory night of music, dancing and networking.
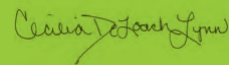

We will still bring Top 25 honorees and specialty award winners to the stage but will recognize many of the other award categories by asking winners to stand in the audience. When your award category is announced, please stand at your seat and receive recognition from your peers across the sector. Photo stations with professional photographers will be available immediately following to ensure you capture your big moment for your media relations team to share with your organization and the community.

We will then enjoy an "After-glow Party & Celebration" with a DJ, dance floor, complimentary signature drinks, cash bar and photo booth to commemorate the evening. Relish in our locally sourced desserts and coffee bar, while we host a photographer to capture your award-winning moments.

Each of the dedicated professionals who work hard to reduce the environmental footprint of health care deserves to be recognized for their outstanding accomplishments. I hope you will take a few moments to congratulate your co-honorees and all of their inspiring achievements. We're honored to be a part of your work, offering you the important tools and resources you need to advocate for sustainability in health care and strengthen your commitment to environmental excellence.

Congratulations on another great year of achievement!

Sincerely,

Cecilia DeLoach Lynn

THE TOP 25 ENVIRONMENTAL EXCELLENCE AWARDS

The Top 25 Environmental Excellence Awards is Practice Greenhealth's highest honor for hospitals. Selected from the Greenhealth Partner for Change Awards applicants, these hospitals are leading the industry with innovation in sustainability, demonstrating superior programs and illustrating how sustainability is entrenched in their culture. Each year, the competition for these top spots increases, as hospitals across the country continue to innovate. In 2016, a tie led to 26 outstanding hospitals rather than 25.

Customer First Renewables

CustomerFirst Renewables congratulates the 2016 Environmental Excellence Award Winners! Your environmental leadership and impact is noteworthy and inspires others to act.

Circles of Excellence

The Circles of Excellence Awards celebrate sustainability programs that excel in a given category (in contrast to awards given for overall achievement). The winners presented below have achieved top scores in each of the following categories:

LEADERSHIP CIRCLE

It all starts with leadership. The Leadership Circle represents the top performers with a strong infrastructure supporting a long term commitment to healthier environments through committee structure, reporting, data tracking, communication and education.

Advocate Christ Medical Center
Advocate Good Samaritan Hospital
Advocate Illinois Masonic Medical Center
Beaumont Hospital, Royal Oak
Bon Secours St. Francis Health System
   - St. Francis Downtown
Cleveland Clinic
Gundersen Health System
HackensackUMC
Minneapolis VA Health Care System
Virginia Mason Seattle Hospital & Medical Center

LESS WASTE CIRCLE

The hospitals in this Circle have excelled in waste prevention and material handling, demonstrated through high recycling rates, low regulated medical waste generation and low rates of total waste generated per patient day. These mature programs address all facets of the complex health care waste stream.

Gundersen Health System
Harborview Medical Center
Littleton Adventist Hospital
Madigan Army Medical Center
Memorial Sloan Kettering Cancer Center
Metro Health Hospital
Seattle Children's Hospital
Spectrum Health Blodgett Hospital
The University of Vermont Medical Center
Virginia Mason Seattle Hospital & Medical Center

CHEMICALS CIRCLE

This circle celebrates facilities with sound chemical reduction policies and practices. Winners address toxicity through greener cleaning programs, avoidance of chemicals of concern in purchasing products, services and equipment. Elimination of mercury and staff education on hazardous chemicals is paramount.

Advocate Good Samaritan Hospital
Advocate Sherman Hospital
Cleveland Clinic - Marymount Hospital
Dartmouth-Hitchcock Medical Center
HackensackUMC
James E. VanZandt VA Medical Center
University Hospitals Ahuja Medical Center
Yale-New Haven Hospital

GREENING THE OR CIRCLE

The Greening the OR Circle acknowledges leadership in implementation and innovation in the surgical department. Leaders in this Circle demonstrated innovative approaches to waste minimization, clinical plastic recycling, reformulation of OR kits, single-use device reprocessing, use of reusable sterilization cases, and a range of other programs and associated metrics.

Cleveland Clinic - Marymount Hospital
Harborview Medical Center
Johns Hopkins Hospital
Memorial Sloan Kettering Cancer Center
Regions Hospital
The University of Vermont Medical Center
University of Maryland Medical Center
Virginia Mason Seattle Hospital & Medical Center
Yale-New Haven Hospital

HEALTHY FOOD CIRCLE

The Food Circle highlights leaders in sustainable food services, capturing leadership in meat and sugar-sweetened beverage reduction, healthier meat procurement, local sourcing, food waste prevention and management. Top contenders have written policies and an educational strategy that addresses the food system as a critical component in an overall sustainability plan—for human and planetary health.

HackensackUMC
Harborview Medical Center
Johns Hopkins Hospital
Kaiser Permanente San Jose Medical Center
Seattle Children's Hospital
Virginia Mason Seattle Hospital & Medical Center

ENERGY CIRCLE

The Energy Circle celebrates hospitals that are leading the sector in energy efficiency and strategic energy use planning. Leaders generally have energy managers and written programs to reduce energy use over time. They are tracking energy use intensity, ENERGY STAR performance metrics, and share details on comprehensive project implementation and staff engagement strategies.

CLIMATE CIRCLE

The Climate Circle highlights visionary hospitals taking the lead on tracking and measurement of CO_2 emissions, and overall climate program development. Hospitals in this Circle demonstrate an understanding of the health impacts of climate change and are taking action to mitigate those impacts and educate their staff and communities on playing a supporting role.

GREEN BUILDING CIRCLE

This Circle is presented to hospitals that have demonstrated LEED and other green building achievements over the past five years. These hospitals emphasize policies that show a commitment to, or even requirement of LEED-level construction standards for all major new builds or renovations. Their achievements include energy and water efficiency, safer materials, regional sourcing, integration of nature and other mechanisms to create high-performance healing environments.

Connecting Sustainability and Health Care

DID YOU WIN AN AWARD?

SCAN TO VISIT OUR AWARD WINNER COMMUNICATION TOOLKIT.

Connect with environmental thought leaders and tap into the ideas of the largest community of sustainability professionals in health care at the 2017 CleanMed Conference & Exhibition in Minneapolis.

Minneapolis is a leader in the medical field, providing ground-breaking research and products to people all over the world. Where natural and urban drama share a single stage, Minneapolis is the place to make connections, share ideas, and become inspired.

Be Recognized for your Commitment to Excellence

Practice Greenhealth Environmental Excellence Award winners are the hospitals, health care providers and organizations of the future. You are innovative and progressive, finding imaginative ways to take environmental programs to the next level. To recognize this creativity and commitment to excellence, Practice Greenhealth presents these awards each year to recognize your sustainability efforts.

Winning an award encourages your employees to take pride in their work and their affiliation with your organization. It shows your community that you care about their health and the health of the surrounding environment. It provides you with a platform to get publicity and recognition for your efforts in your organization, your community and nationally among your peers.

Don't miss this opportunity to shine a light on your great work!
